

Upholstery, side cushion, replacing

Note! The illustrations in this service information are used for different model years and/or models. Some variation may occur. However, the essential information in the illustrations is always correct.

Removal

Removing upholstery

Grip the top edge and pull the side cushion straight forwards and then upwards in the vehicle.

Undo the zipper.

Remove the upholstery.

Installation

Installing upholstery

Install the upholstery.

Close the zipper and fold in the edge.

Press the side cushion down into the lower groove.

Press the top edge of the side cushion into place.
